March 6th	Arkabutla Reservoir
March 27th	Grenada Reservoir
April 24th	Barnett Reservoir
May 22nd	Enid Reservoir
June 18-19	State Championship, Barnett

## **Some Rules/Payouts Highlights**

Once again the MCC Board has voted to pay out more than we take in on T-Day. **WHAT? PAY OUT MORE THAN WE TAKE IN?**

How in the world can we do that? Recall last season where we bumped the regular tournament payout structure by \$300 a tournament? That extra \$300 was taken from the pot of money we used to fish for in the post-season.

The Board's thoughts last year and again this year is that paying our fishing members a little more throughout the regular season will help with tournament expenses and thereby help keep our participation levels up.

We're still paying the Top 15 based on your best 7 fish. We're just sweetening the pot some.

A new exciting rule that is directly tied to our total payout package is the new season-long fund raiser, "**Splash for Cash**".

Our goal is to sell \$10,000 worth of raffle tickets. Hey, that ain't that far fetched at all. Let me remind you that we sold over \$8000 worth of Gun Raffle tickets a couple of years ago.

And, if you'll grab hold of this opportunity early, you'll see where you can win great **Splash Prizes** all season long.

Now, here's the rules part of it. In addition to our participation rule and points qualifier (see Rules), post-season competitors must have sold at least one book of 25 tickets. And, you've got all year to do it.

Hey, that's only fair since all the proceeds from the **Splash For Cash** contest end up in the post-season payout package. And, if you're going to fish for that prize money, you probably ought to have a hand in raising it.

Shoot, I'm going to buy the first book myself and enter all 25 tickets into the \$1000 drawing, plus qualify for all the **Splash Prizes**, to boot.

# Splash For Cash

**You're going to love this—trust me!!!**

Because of the participation of a brand new sponsor, Academy Sports, we're giving away a bigger raffle **Grand Prize** than ever before.

**\$1000**  
**Academy**  
**Sports Gift Card**

**WOW**, and I'm just getting started.

In addition, **Qualified Members** can win great Splash Prizes throughout the regular season. How would you like to win a

**BRAND NEW CAR?**

Uhhh... Sorry, about that Bert. Got a little carried away—just kidding. There is no new car. But since I've got your attention, let's read the fine print.

### Qualified Member—what's that?

**QMs** are MCC members who have turned in at least one book of sold raffle tickets. Once that first book is sold and returned the club, you're in the hunt for some very nice prizes for the rest of the year.

And, here's the sweetest part of the deal—although you've got all season to sell your book of tickets, only members who have returned their sold ticket book and \$125 are entered into the Splash drawings at our weigh-ins. So return your sold book early and win often.

### If we're not giving away a BRAND NEW CAR, what am I trying to win?

**QMs** are in the running for a \$100 Shell gas card on Oct 17th. If we have over 20 QMs on Oct 17th, we'll draw for two \$100 gas cards.

### Who do I sell my raffle tickets to?

We don't care if you sell them to your friends or to yourself—just unload that first book early. And, just for qualifying so quickly, you'll be entered in every Splash drawing for **Qualified Members only** for the rest of the season.

**For contest rules and details or to get more tickets call Paul Johnson any time before dark at 601-624-0359.**
